but we only have voting rights on issues relating to education.

What can we do for you?

Represent your views at the County Council, and help you find your way. If you have questions or if you have views about how school admissions, academy status, school mergers, or funding, etc. affects the education of your child, we are happy to help. We are there to represent you as a parent.

Who are we, and what do we do?

Emma Olivier-Townrow, Craig Miller and Emile van der Zee were elected by other parent governors in Lincolnshire County to represent the views of all parents, in an apolitical way, on the County Council's committees and sub-committees dealing with education.

We have speaking rights on all committees,

How can you get in touch with us?

By email, by sending us a letter (see below) or by coming to our monthly Surgery Hours in the Drill Hall in Lincoln. Every first Saturday of the month during term time at least one of us will be available from 10.00-11.00am. Feel free to come over and have a chat!
