Newsletter Term 1

Term 1 was an exciting term welcoming all your new Reception Children.

The uptake of KS1 meals is really positive - it's great to see so many children accessing their school lunches.

Willoughby Foods School Garden

After a tricky start with the very dry weather, we ended up growing so much produce!

WilloughBee was able to visit schools with donations for their Harvest Festivals.

Upcoming Theme Days

Kicking off Term 2 with our 'Spooktakular Boolognese' theme day menu on Halloween, followed by Pudsey's Teddy Bears Picnic for Children In Need.

In the Dining Hall

Visiting school during lunch is the ideal opportunity to see how schools run their lunchtime and the extra touches they put in place.

It's very rewarding to see the effort put into the dining experience.

Here are some of schools' individual touches.

Cutting fruit
into pieces to
encourage the
children to eat
more

Subtle 'Healthy
Eating' reminders
on display

Having tables
set for when
children come
into the Hall

Using laminated flyers to
show menu selection
which double up as
placemats

***Big shout out to all the amazing Midday Supervisors
who help make lunch an enjoyable experience for the
children***

And finally our Happy Customers!
